

The Art of Foreplay: Foreplay Ideas That Would Drive Any Woman Wild (Paperback)

By Anthony Ekanem

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. The whole idea of this book is to teach you how to put a woman in the mood so that she will desire to have sex with you over and over again. If you are a man who is having difficulty connecting with your partner when the issue of sex arises, this book will help you to overcome that. Foreplay is one thing women can't get enough. Women are emotional creatures, and that's why they like, enjoy and often need foreplay. So, give her what she wants and she will reciprocate by giving you what you want as well. Unlike men, women don't get aroused fast and easily. This is because their bodies need help to warm up and the lubrication required for intercourse, and their emotions also dictate that they feel a sense of closeness and mutual respect with their partner. All of this can be achieved through foreplay, which will also help your partner feel desired by you.
